

Are you stuck on page 13 of your great American novel? Need a fresh idea to start that new story?

With the Fabulous Fiction JumpStart Jar, create some dynamic fiction from scratch by combining several fictional elements, or add an exciting new character, situation, complication or motivation to breathe new life into an existing tale. Or just select a provocative first line for your story to get you started.

With over 2,100 elements, the possible combinations are almost limitless! With a handy JumpStart Card to get you started and access to [www.jumpstartjar.com](http://www.jumpstartjar.com) you can be free-writing your way to great fiction in less than 10 minutes!

Anyone who needs a creative boost will love a JumpStart Jar:

Writers • Teachers  
Copywriters • Students  
Managers • Consultants  
EBay Sellers • Designers

Or anyone looking for a novel way to explore their creativity. The JumpStart Jar is the perfect tool for creative people everywhere. So let the synchronicity in and watch the magic begin!

## Fabulous Fiction
